CARE INSTRUCTIONS NATURALLY ORGANIC COLLECTION ACCESSORIES

OYASUMI PILLOWS

OYASUMI SHREDDED RUBBER CONTOUR PILLOW

Warranty terms: 3 years

- Keep the pillow clean by covering it with a pillow case.
- Eliminate odors by sprinkling with baking soda.
- Shredded rubber core is washable in cold water. Please ensure that the zipper is safely locked in place by clipping it with a safety pin to make sure the rubber filling does not come out of the case while washing. Hang core to dry on a breathable drying rack.
- Pillow case can be washed in cold water and hung to dry.
- Pillow loft can be adjusted by unzipping the pillow core and removing or adding rubber.
- * Filling can be messy – we suggest to do it over a kitchen sink with drain plug or outside.
- Do not expose pillow to direct sunlight or direct heat source.

OYASUMI ORGANIC WOOL PILLOW

Warranty terms: 3 years

- Keep the pillow clean by covering it with a pillow case
- Air pillow seasonally
- Eliminate odors by sprinkling with baking soda
- Do not wash wool core
- To increase pillow loft, place the pillow in the dryer with two tennis balls, set dryer on air or the coolest setting.
